- 15 (2) The department of local government finance shall
- 16 determine the classes of real property to be used for purposes
- 17 of this section.
- 18 (3) Except as provided in subsection (b), the reassessment plan

32 SECTION 20. IC 6-1.1-4-31.5, AS AMENDED BY P.L.146-2008,
 33 SECTION 82, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 34 JANUARY 1, 2010]: Sec. 31.5. (a) As used in this section,
 35 "department" refers to the department of local government finance.

36 (b) If the department makes a determination and informs local
 37 officials under section 31(c) of this chapter, the department may order
 38 a state conducted assessment or reassessment in the county subject to

1 the time limitation in that subsection.

2 (c) If the department orders a state conducted assessment or
 3 reassessment in a county, the department shall assume the duties of the
 4 county assessor. Notwithstanding sections 15 and 17 of this chapter, a
 5 county assessor subject to an order issued under this section may not
 6 assess property or have property assessed for the assessment or ~~general~~
 7 reassessment **under a county's reassessment plan**. Until the state
 8 conducted assessment or reassessment is completed under this section,
 9 the assessment or reassessment duties of the county assessor are
 10 limited to providing the department or a contractor of the department
 11 the support and information requested by the department or the
 12 contractor.

13 (d) Before assuming the duties of a county assessor, the department
 14 shall transmit a copy of the department's order requiring a state
 15 conducted assessment or reassessment to the county assessor, the
 16 county fiscal body, the county auditor, and the county treasurer. Notice
 17 of the department's actions must be published one (1) time in a
 18 newspaper of general circulation published in the county. The
 19 department is not required to conduct a public hearing before taking
 20 action under this section.

21 (e) A county assessor subject to an order issued under this section
 22 shall, at the request of the department or the department's contractor,
 23 make available and provide access to all:

- 24 (1) data;
- 25 (2) records;
- 26 (3) maps;
- 27 (4) parcel record cards;
- 28 (5) forms;
- 29 (6) computer software systems;
- 30 (7) computer hardware systems; and
- 31 (8) other information;

32 related to the assessment or reassessment of real property in the county.
 33 The information described in this subsection must be provided at no
 34 cost to the department or the contractor of the department. A failure to
 35 provide information requested under this subsection constitutes a
 36 failure to perform a duty related to an assessment or a ~~general~~
 37 reassessment **under a county's reassessment plan** and is subject to
 38 IC 6-1.1-37-2.

(f) The department may enter into a contract with a professional appraising firm to conduct an assessment or reassessment under this section. If a county entered into a contract with a professional appraising firm to conduct the county's assessment or reassessment before the department orders a state conducted assessment or reassessment in the county under this section, the contract:

- (1) is as valid as if it had been entered into by the department; and
- (2) shall be treated as the contract of the department.

(g) After receiving the report of assessed values from the appraisal firm acting under a contract described in subsection (f), the department shall give notice to the taxpayer and the county assessor, by mail, of the amount of the assessment or reassessment. The notice of assessment or reassessment:

- (1) is subject to appeal by the taxpayer under section 31.7 of this chapter; and
- (2) must include a statement of the taxpayer's rights under section 31.7 of this chapter.

(h) The department shall forward a bill for services provided under a contract described in subsection (f) to the auditor of the county in which the state conducted reassessment occurs. The county shall pay the bill under the procedures prescribed by subsection (i).

(i) A county subject to an order issued under this section shall pay the cost of a contract described in subsection (f), without appropriation, from the county property reassessment fund. A contractor may periodically submit bills for partial payment of work performed under the contract. Notwithstanding any other law, a contractor is entitled to payment under this subsection for work performed under a contract if the contractor:

- (1) submits to the department a fully itemized, certified bill in the form required by IC 5-11-10-1 for the costs of the work performed under the contract;
- (2) obtains from the department:
 - (A) approval of the form and amount of the bill; and
 - (B) a certification that the billed goods and services have been received and comply with the contract; and
- (3) files with the county auditor:
 - (A) a duplicate copy of the bill submitted to the department;
 - (B) proof of the department's approval of the form and amount

1 of the bill; and
2 (C) the department's certification that the billed goods and
3 services have been received and comply with the contract.

4 The department's approval and certification of a bill under subdivision
5 (2) shall be treated as conclusively resolving the merits of a contractor's
6 claim. Upon receipt of the documentation described in subdivision (3),
7 the county auditor shall immediately certify that the bill is true and
8 correct without further audit and submit the claim to the county
9 executive. The county executive shall allow the claim, in full, as
10 approved by the department, without further examination of the merits
11 of the claim in a regular or special session that is held not less than
12 three (3) days and not more than seven (7) days after the date the claim
13 is certified by the county fiscal officer if the procedures in IC 5-11-10-2
14 are used to approve the claim or the date the claim is placed on the
15 claim docket under IC 36-2-6-4 if the procedures in IC 36-2-6-4 are
16 used to approve the claim. Upon allowance of the claim by the county
17 executive, the county auditor shall immediately issue a warrant or
18 check for the full amount of the claim approved by the department.
19 Compliance with this subsection constitutes compliance with
20 IC 5-11-6-1, IC 5-11-10, and IC 36-2-6. The determination and
21 payment of a claim in compliance with this subsection is not subject to
22 remonstrance and appeal. IC 36-2-6-4(f) and IC 36-2-6-9 do not apply
23 to a claim submitted under this subsection. IC 5-11-10-1.6(d) applies
24 to a fiscal officer who pays a claim in compliance with this subsection.

25 (j) Notwithstanding IC 4-13-2, a period of seven (7) days is
26 permitted for each of the following to review and act under IC 4-13-2
27 on a contract of the department entered into under this section:

28 (1) The commissioner of the Indiana department of
29 administration.

30 (2) The director of the budget agency.

31 (3) The attorney general.

32 (k) If money in the county's property reassessment fund is
33 insufficient to pay for an assessment or reassessment conducted under
34 this section, the department may increase the tax rate and tax levy of
35 the county's property reassessment fund to pay the cost and expenses
36 related to the assessment or reassessment.

37 (l) The department or the contractor of the department shall use the
38 land values determined under section 13.6 of this chapter for a county

1 subject to an order issued under this section to the extent that the
 2 department or the contractor finds that the land values reflect the true
 3 tax value of land, as determined under this article and the rules of the
 4 department. If the department or the contractor finds that the land
 5 values determined for the county under section 13.6 of this chapter do
 6 not reflect the true tax value of land, the department or the contractor
 7 shall determine land values for the county that reflect the true tax value
 8 of land, as determined under this article and the rules of the
 9 department. Land values determined under this subsection shall be
 10 used to the same extent as if the land values had been determined under
 11 section 13.6 of this chapter. The department or the contractor of the
 12 department shall notify the county's assessing officials of the land
 13 values determined under this subsection.

14 (m) A contractor of the department may notify the department if:

15 (1) a county auditor fails to:

16 (A) certify the contractor's bill;

17 (B) publish the contractor's claim;

18 (C) submit the contractor's claim to the county executive; or

19 (D) issue a warrant or check for payment of the contractor's
 20 bill;

21 as required by subsection (i) at the county auditor's first legal
 22 opportunity to do so;

23 (2) a county executive fails to allow the contractor's claim as
 24 legally required by subsection (i) at the county executive's first
 25 legal opportunity to do so; or

26 (3) a person or an entity authorized to act on behalf of the county
 27 takes or fails to take an action, including failure to request an
 28 appropriation, and that action or failure to act delays or halts
 29 progress under this section for payment of the contractor's bill.

30 (n) The department, upon receiving notice under subsection (m)
 31 from a contractor of the department, shall:

32 (1) verify the accuracy of the contractor's assertion in the notice
 33 that:

34 (A) a failure occurred as described in subsection (m)(1) or
 35 (m)(2); or

36 (B) a person or an entity acted or failed to act as described in
 37 subsection (m)(3); and

38 (2) provide to the treasurer of state the department's approval

1 under subsection (i)(2)(A) of the contractor's bill with respect to
2 which the contractor gave notice under subsection (m).

3 (o) Upon receipt of the department's approval of a contractor's bill
4 under subsection (n), the treasurer of state shall pay the contractor the
5 amount of the bill approved by the department from money in the
6 possession of the state that would otherwise be available for
7 distribution to the county, including distributions of admissions taxes
8 or wagering taxes.

9 (p) The treasurer of state shall withhold from the money that would
10 be distributed under IC 4-33-12-6, IC 4-33-13-5, or any other law to a
11 county described in a notice provided under subsection (m) the amount
12 of a payment made by the treasurer of state to the contractor of the
13 department under subsection (o). Money shall be withheld from any
14 source payable to the county.

15 (q) Compliance with subsections (m) through (p) constitutes
16 compliance with IC 5-11-10.

17 (r) IC 5-11-10-1.6(d) applies to the treasurer of state with respect to
18 the payment made in compliance with subsections (m) through (p).
19 This subsection and subsections (m) through (p) must be interpreted
20 liberally so that the state shall, to the extent legally valid, ensure that
21 the contractual obligations of a county subject to this section are paid.
22 Nothing in this section shall be construed to create a debt of the state.

23 (s) The provisions of this section are severable as provided in
24 IC 1-1-1-8(b).".

or whether a deduction should be allowed, after the designating body has made the following findings:

A certified copy of a resolution under subdivision (2) shall be sent to the county auditor, who shall make the deduction as provided in section 5.3 of this chapter. A determination concerning the number of years the deduction is allowed that is made under subdivision (1) is final and may not be changed by using the procedure under subdivision (2).

(2) If an appeal of an assessment is approved and results in a reduction of the assessed value of the property, the amount of a deduction under this section shall be adjusted to reflect the percentage decrease that resulted from the appeal.

(k) The maximum amount of a deduction under this section may not

1 exceed the lesser of:

- 2 (1) the annual amount for which the eligible vacant building was

 27 which is filed under section 3 of this chapter, the Indiana board shall
 28 conduct a hearing at its earliest opportunity. The Indiana board may
 29 correct any errors that may have been made and adjust the assessment
 30 or exemption in accordance with the correction.

31 (b) If the Indiana board conducts a site inspection of the property as
 32 part of its review of the petition, the Indiana board shall give notice to
 33 all parties of the date and time of the site inspection. The Indiana board
 34 is not required to assess the property in question. The Indiana board
 35 shall give notice of the date fixed for the hearing, by mail, to the
 36 taxpayer and to the county assessor. The Indiana board shall give these
 37 notices at least thirty (30) days before the day fixed for the hearing
 38 unless the parties agree to a shorter period. With respect to a petition

for review filed by a county assessor, the county board that made the determination under review under this section may file an amicus curiae brief in the review proceeding under this section. The expenses incurred by the county board in filing the amicus curiae brief shall be paid from the property reassessment fund under IC 6-1.1-4-27.5. The executive of a taxing unit may file an amicus curiae brief in the review proceeding under this section if the property whose assessment or exemption is under appeal is subject to assessment by that taxing unit.

(c) If a petition for review does not comply with the Indiana board's instructions for completing the form prescribed under section 3 of this chapter, the Indiana board shall return the petition to the petitioner and include a notice describing the defect in the petition. The petitioner then has thirty (30) days from the date on the notice to cure the defect and file a corrected petition. The Indiana board shall deny a corrected petition for review if it does not substantially comply with the Indiana board's instructions for completing the form prescribed under section 3 of this chapter.

(d) After the hearing, the Indiana board shall give the taxpayer, the county assessor, and any entity that filed an amicus curiae brief:

(1) notice, by mail, of its final determination; and

(2) for parties entitled to appeal the final determination, notice of the procedures they must follow in order to obtain court review under section 5 of this chapter.

(e) Except as provided in subsection (f), the Indiana board shall conduct a hearing not later than nine (9) months after a petition in proper form is filed with the Indiana board, excluding any time due to a delay reasonably caused by the petitioner.

(f) With respect to an appeal of a real property assessment that takes effect on the assessment date on which a ~~general~~ reassessment of real property **under a county's reassessment plan** takes effect under IC 6-1.1-4-4, the Indiana board shall conduct a hearing not later than one (1) year after a petition in proper form is filed with the Indiana board, excluding any time due to a delay reasonably caused by the petitioner.

(g) Except as provided in subsection (h), the Indiana board shall make a determination not later than the later of:

(1) ninety (90) days after the hearing; or

(2) the date set in an extension order issued by the Indiana board.

(h) With respect to an appeal of a real property assessment that takes effect on the assessment date on which a ~~general~~ reassessment of real property **under a county's reassessment plan** takes effect under IC 6-1.1-4-4, the Indiana board shall make a determination not later than the later of:

(1) one hundred eighty (180) days after the hearing; or

(2) the date set in an extension order issued by the Indiana board.

(i) The Indiana board may not extend the final determination date under subsection (g) or (h) by more than one hundred eighty (180) days. If the Indiana board fails to make a final determination within the time allowed by this section, the entity that initiated the petition may:

(1) take no action and wait for the Indiana board to make a final determination; or

(2) petition for judicial review under section 5 of this chapter.

(j) A final determination must include separately stated findings of fact for all aspects of the determination. Findings of ultimate fact must be accompanied by a concise statement of the underlying basic facts of record to support the findings. Findings must be based exclusively upon the evidence on the record in the proceeding and on matters officially noticed in the proceeding. Findings must be based upon a preponderance of the evidence.

(k) The Indiana board may limit the scope of the appeal to the issues raised in the petition and the evaluation of the evidence presented to the county board in support of those issues only if all parties participating in the hearing required under subsection (a) agree to the limitation. A party participating in the hearing required under subsection (a) is entitled to introduce evidence that is otherwise proper and admissible without regard to whether that evidence has previously been introduced at a hearing before the county board.

(l) The Indiana board may require the parties to the appeal:

(1) to file not more than five (5) business days before the date of the hearing required under subsection (a) documentary evidence or summaries of statements of testimonial evidence; and

(2) to file not more than fifteen (15) business days before the date of the hearing required under subsection (a) lists of witnesses and exhibits to be introduced at the hearing.

(m) A party to a proceeding before the Indiana board shall provide to all other parties to the proceeding the information described in

subsubsection (l) if the other party requests the information in writing at least ten (10) days before the deadline for filing of the information under subsection (l).

(n) The Indiana board may base its final determination on a stipulation between the respondent and the petitioner. If the final determination is based on a stipulated assessed valuation of tangible property, the Indiana board may order the placement of a notation on the permanent assessment record of the tangible property that the assessed valuation was determined by stipulation. The Indiana board may:

- (1) order that a final determination under this subsection has no precedential value; or
- (2) specify a limited precedential value of a final determination under this subsection.

29 error made by the taxpayer on the taxpayer's personal property tax
30 return. If the taxpayer wishes to correct an error made by the taxpayer

 12 the seal of the board of county commissioners, to the fiscal officer of
 13 each political subdivision of the county and the department of local
 14 government finance. The statement shall contain:

- 15 (1) information concerning the assessed valuation in the political
- 16 subdivision for the next calendar year;
- 17 (2) an estimate of the taxes to be distributed to the political
- 18 subdivision during the last six (6) months of the current calendar
- 19 year;
- 20 (3) the current assessed valuation as shown on the abstract of
- 21 charges;
- 22 (4) the average growth in assessed valuation in the political
- 23 subdivision over the preceding three (3) budget years; ~~excluding~~
- 24 ~~years in which a general reassessment occurs, determined~~
- 25 ~~according to procedures established by the department of local~~
- 26 ~~government finance;~~
- 27 (5) the amount of the political subdivision's assessed valuation
- 28 reduction determined under section 0.5(d) of this chapter;
- 29 (6) for counties with taxing units that cross into or intersect with
- 30 other counties, the assessed valuation as shown on the most
- 31 current abstract of property; and
- 32 (7) any other information at the disposal of the county auditor that
- 33 might affect the assessed value used in the budget adoption
- 34 process.

35 (b) The estimate of taxes to be distributed shall be based on:

- 36 (1) the abstract of taxes levied and collectible for the current
- 37 calendar year, less any taxes previously distributed for the
- 38 calendar year; and

1 (2) any other information at the disposal of the county auditor
2 which might affect the estimate.

3 (c) The fiscal officer of each political subdivision shall present the
4 county auditor's statement to the proper officers of the political
5 subdivision.

6 (d) Subject to subsection (e) and except as provided in subsection
7 (f), after the county auditor sends a certified statement under subsection
8 (a) or an amended certified statement under this subsection with
9 respect to a political subdivision and before the department of local
10 government finance certifies its action with respect to the political
11 subdivision under section 16(f) of this chapter, the county auditor may
12 amend the information concerning assessed valuation included in the
13 earlier certified statement. The county auditor shall send a certified
14 statement amended under this subsection, under the seal of the board
15 of county commissioners, to:

16 (1) the fiscal officer of each political subdivision affected by the
17 amendment; and

18 (2) the department of local government finance.

19 (e) Except as provided in subsection (g), before the county auditor
20 makes an amendment under subsection (d), the county auditor must
21 provide an opportunity for public comment on the proposed
22 amendment at a public hearing. The county auditor must give notice of
23 the hearing under IC 5-3-1. If the county auditor makes the amendment
24 as a result of information provided to the county auditor by an assessor,
25 the county auditor shall give notice of the public hearing to the
26 assessor.

27 (f) Subsection (d) does not apply to an adjustment of assessed
28 valuation under IC 36-7-15.1-26.9(d).

29 (g) The county auditor is not required to hold a public hearing under
30 subsection (e) if:

31 (1) the amendment under subsection (d) is proposed to correct a
32 mathematical error made in the determination of the amount of
33 assessed valuation included in the earlier certified statement;

34 (2) the amendment under subsection (d) is proposed to add to the
35 amount of assessed valuation included in the earlier certified
36 statement assessed valuation of omitted property discovered after
37 the county auditor sent the earlier certified statement; or

38 (3) the county auditor determines that the amendment under

- 1 subsection (d) will not result in an increase in the tax rate or tax
- 2 rates of the political subdivision."

- 8 under this section.
- 9 (e) The new maximum rate under a statute listed in subsection (d)
- 10 is the tax rate determined under STEP SEVEN of the following STEPS:
- 11 STEP ONE: Determine the maximum rate for the political

- 13 the statute for the year preceding the year in which the annual
- 14 adjustment or ~~general~~ reassessment **under a county's**
- 15 **reassessment plan** takes effect.
- 16 STEP TWO: Determine the actual percentage increase (rounded
- 17 to the nearest one-hundredth percent (0.01%)) in the assessed
- 18 value (before the adjustment, if any, under IC 6-1.1-4-4.5) of the
- 19 taxable property from the year preceding the year the annual
- 20 adjustment or ~~general~~ reassessment **under a county's**
- 21 **reassessment plan** takes effect to the year that the annual
- 22 adjustment or ~~general~~ reassessment takes effect.

- 24 immediately precede the ensuing calendar year. ~~and in which a~~
- 25 ~~statewide general reassessment of real property does not first take~~
- 26 ~~effect.~~
- 27 STEP FOUR: Compute separately, for each of the calendar years

- 29 (rounded to the nearest one-hundredth percent (0.01%)) in the
- 30 assessed value (before the adjustment, if any, under
- 31 IC 6-1.1-4-4.5) of the taxable property from the preceding year.

- 35 (A) Zero (0).
- 36 (B) The result of the STEP TWO percentage minus the STEP
- 37 FIVE percentage.
- 38 STEP SEVEN: Determine the quotient of the STEP ONE tax rate

1 divided by the sum of one (1) plus the STEP SIX percentage
2 increase.

3 (f) The department of local government finance shall compute the
4 maximum rate allowed under subsection (e) and provide the rate to
5 each political subdivision with authority to levy a tax under a statute

8 SECTION 53, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
9 JANUARY 1, 2010]: Sec. 13. (a) The maximum property tax rate
10 levied under IC 20-46-6 by each school corporation for the school
11 corporation's capital projects fund must be adjusted each year to
12 account for the change in assessed value of real property that results
13 from:

14 (1) an annual adjustment of the assessed value of real property
15 under IC 6-1.1-4-4.5; or

16 (2) a ~~general~~ reassessment of real property **under a county's**
17 **reassessment plan** under IC 6-1.1-4-4.

18 (b) The new maximum rate under this section is the tax rate
19 determined under STEP SEVEN of the following formula:

20 STEP ONE: Determine the maximum rate for the school
21 corporation for the year preceding the year in which the annual
22 adjustment or ~~general~~ reassessment **under a county's**
23 **reassessment plan** takes effect.

24 STEP TWO: Determine the actual percentage increase (rounded
25 to the nearest one-hundredth percent (0.01%)) in the assessed
26 value (before the adjustment, if any, under IC 6-1.1-4-4.5) of the
27 taxable property from the year preceding the year the annual
28 adjustment or ~~general~~ reassessment **under a county's**
29 **reassessment plan** takes effect to the year that the annual
30 adjustment or ~~general~~ reassessment is effective.

31 STEP THREE: Determine the three (3) calendar years that
32 immediately precede the ensuing calendar year. ~~and in which a~~

35 STEP FOUR: Compute separately, for each of the calendar years
36 determined in STEP THREE, the actual percentage increase
37 (rounded to the nearest one-hundredth percent (0.01%)) in the
38 assessed value (before the adjustment, if any, under

- 1 IC 6-1.1-4-4.5) of the taxable property from the preceding year.
- 2 STEP FIVE: Divide the sum of the three (3) quotients computed
- 3 in STEP FOUR by three (3).
- 4 STEP SIX: Determine the greater of the following:
- 5 (A) Zero (0).
- 6 (B) The result of the STEP TWO percentage minus the STEP
- 7 FIVE percentage.
- 8 STEP SEVEN: Determine the quotient of the STEP ONE tax rate
- 9 divided by the sum of one (1) plus the STEP SIX percentage
- 10 increase.
- 11 (c) The department of local government finance shall compute the
- 12 maximum rate allowed under subsection (b) and provide the rate to
- 13 each school corporation.
- 14 SECTION 67. IC 6-1.1-18.5-1, AS AMENDED BY P.L.154-2006,
- 15 SECTION 46, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
- 16 JANUARY 1, 2010]: Sec. 1. As used in this chapter:
- 17 "Ad valorem property tax levy for an ensuing calendar year" means
- 18 the total property taxes imposed by a civil taxing unit for current
- 19 property taxes collectible in that ensuing calendar year.
- 20 "Adopting county" means any county in which the county adjusted
- 21 gross income tax is in effect.
- 22 "Civil taxing unit" means any taxing unit except a school
- 23 corporation.
- 24 "Maximum permissible ad valorem property tax levy for the
- 25 preceding calendar year" means the greater of:
- 26 (1) the remainder of:
- 27 (A) the civil taxing unit's maximum permissible ad valorem
- 28 property tax levy for the calendar year immediately preceding
- 29 the ensuing calendar year, as that levy was determined under
- 30 section 3 of this chapter; minus
- 31 (B) one-half (1/2) of the remainder of:
- 32 (i) the civil taxing unit's maximum permissible ad valorem
- 33 property tax levy referred to in clause (A); minus
- 34 (ii) the civil taxing unit's ad valorem property tax levy for
- 35 the calendar year immediately preceding the ensuing
- 36 calendar year referred to in subdivision (2); or
- 37 (2) the civil taxing unit's ad valorem property tax levy for the
- 38 calendar year immediately preceding the ensuing calendar year,

as that levy was determined by the department of local government finance in fixing the civil taxing unit's budget, levy, and rate for that preceding calendar year under IC 6-1.1-17, and after eliminating the effects of temporary excessive levy appeals and temporary adjustments made to the working maximum levy for the calendar year immediately preceding the ensuing calendar year, as determined by the department of local government finance.

"Taxable property" means all tangible property that is subject to the tax imposed by this article and is not exempt from the tax under IC 6-1.1-10 or any other law. For purposes of sections 2 and 3 of this chapter, the term "taxable property" is further defined in section 6 of this chapter.

"Unadjusted assessed value" means the assessed value of a civil taxing unit as determined by local assessing officials and the department of local government finance in a particular calendar year before the application of an annual adjustment under IC 6-1.1-4-4.5 for that particular calendar year or any calendar year since the last ~~general~~ reassessment **under a county's reassessment plan** preceding the particular calendar year."

(a) For purposes of determining the property tax levy limit imposed on a city, town, or county under section 3 of this chapter, the city, town, or county's ad valorem property tax levy for a particular calendar year does not include an amount equal to the lesser of:

(1) the amount of ad valorem property taxes that would be first due and payable to the city, town, or county during the ensuing calendar year if the taxing unit imposed the maximum permissible property tax rate per one hundred dollars (\$100) of assessed valuation that the civil taxing unit may impose for the particular calendar year under the authority of IC 36-9-14.5 (in the case of a county) or IC 36-9-15.5 (in the case of a city or town); or

(2) the excess, if any, of:

(A) the property taxes imposed by the city, town, or county under the authority of:

1 IC 3-11-6-9;

 23 that are first due and payable during the ensuing calendar year;
 24 over
 25 (B) the property taxes imposed by the city, town, or county
 26 under the authority of the citations listed in clause (A) that
 27 were first due and payable during calendar year 1984.
 28 (b) The maximum property tax rate levied under the statutes listed
 29 in subsection (a) must be adjusted each year to account for the change
 30 in assessed value of real property that results from:
 31 (1) an annual adjustment of the assessed value of real property
 32 under IC 6-1.1-4-4.5; or
 33 (2) a ~~general~~ reassessment of real property **under a county's**

 37 formula:
 38 STEP ONE: Determine the maximum rate for the political

subdivision levying a property tax under the statute for the year preceding the year in which the annual adjustment or ~~general~~ reassessment **under a county's reassessment plan** takes effect.

STEP TWO: Determine the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value (before the adjustment, if any, under IC 6-1.1-4-4.5) of the taxable property from the year preceding the year the annual adjustment or ~~general~~ reassessment **under a county's reassessment plan** takes effect to the year that the annual adjustment or ~~general~~ reassessment is effective.

STEP THREE: Determine the three (3) calendar years that immediately precede the ensuing calendar year. ~~and in which a statewide general reassessment of real property does not first become effective.~~

STEP FOUR: Compute separately, for each of the calendar years determined in STEP THREE, the actual percentage increase (rounded to the nearest one-hundredth percent (0.01%)) in the assessed value (before the adjustment, if any, under IC 6-1.1-4-4.5) of the taxable property from the preceding year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Determine the greater of the following:

(A) Zero (0).

(B) The result of the STEP TWO percentage minus the STEP FIVE percentage.

STEP SEVEN: Determine the quotient of the STEP ONE tax rate divided by the sum of one (1) plus the STEP SIX percentage increase.

(d) The department of local government finance shall compute the maximum rate allowed under subsection (c) and provide the rate to each political subdivision with authority to levy a tax under a statute listed in subsection (a).

SECTION 72. IC 6-1.1-18.5-10, AS AMENDED BY P.L.146-2008, SECTION 174, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 10. (a) Subject to subsection (d), the ad valorem property tax levy limits imposed by section 3 of this chapter do not apply to ad valorem property taxes imposed by a civil taxing unit to be used to fund:

(1) community mental health centers under:

- (A) IC 12-29-2-1.2, for only those civil taxing units that authorized financial assistance under IC 12-29-1 before 2002 for a community mental health center as long as the tax levy under this section does not exceed the levy authorized in 2002;
- (B) IC 12-29-2-2 through IC 12-29-2-5; and
- (C) IC 12-29-2-13; or

(2) community mental retardation and other developmental disabilities centers under IC 12-29-1-1;

to the extent that those property taxes are attributable to any increase in the assessed value of the civil taxing unit's taxable property caused by a ~~general~~ reassessment of real property **under a county's reassessment plan** that took effect after February 28, 1979.

(b) Subject to subsection (d), for purposes of computing the ad valorem property tax levy limits imposed on a civil taxing unit by section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular calendar year does not include that part of the levy described in subsection (a).

(c) This subsection applies to property taxes first due and payable after December 31, 2008. Notwithstanding subsections (a) and (b) or any other law, any property taxes imposed by a civil taxing unit that are exempted by this section from the ad valorem property tax levy limits imposed by section 3 of this chapter may not increase annually by a percentage greater than the result of:

- (1) the assessed value growth quotient determined under section 2 of this chapter; minus
- (2) one (1).

(d) The exemptions under subsections (a) and (b) from the ad valorem property tax levy limits do not apply to a civil taxing unit that did not fund a community mental health center or community mental retardation and other developmental disabilities center in 2008."

"SECTION 75. IC 6-1.1-18.5-13, AS AMENDED BY P.L.146-2008, SECTION 180, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 13. With respect to an appeal filed under section 12 of this chapter, the ~~local government~~

tax control board may recommend **department may find** that a civil taxing unit **should** receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the ~~local government tax control board~~ **department** the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas or persons. With respect to annexation, consolidation, or other extensions of governmental services in a calendar year, if those increased costs are incurred by the civil taxing unit in that calendar year and more than one (1) immediately succeeding calendar year, the unit may appeal under section 12 of this chapter for permission to increase its levy under this subdivision based on those increased costs in any of the following:

(A) The first calendar year in which those costs are incurred.

(B) One (1) or more of the immediately succeeding four (4) calendar years.

(2) ~~A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's estimate of the unit's share of the costs of operating a court for the first full calendar year in which it is in existence. For purposes of this subdivision, costs of operating a court include:~~

(A) the cost of personal services (including fringe benefits);

(B) the cost of supplies; and

1 ~~(C) any other cost directly related to the operation of the court.~~
 2 ~~(3)~~ **(2)** Permission to the civil taxing unit to increase its levy in
 3 excess of the limitations established under section 3 of this
 4 chapter, if the ~~local government tax control board~~ **department**
 5 finds that the quotient determined under STEP SIX of the
 6 following formula is equal to or greater than one and
 7 two-hundredths (1.02):

8 STEP ONE: Determine the three (3) calendar years that most
 9 immediately precede the ensuing calendar year. ~~and in which~~
 10 ~~a statewide general reassessment of real property or the initial~~
 11 ~~annual adjustment of the assessed value of real property under~~
 12 ~~IC 6-1.1-4-4.5 does not first become effective.~~

13 STEP TWO: Compute separately, for each of the calendar
 14 years determined in STEP ONE, the quotient (rounded to the
 15 nearest ten-thousandth (0.0001)) of the sum of the civil taxing
 16 unit's total assessed value of all taxable property and:

- 17 (i) for a particular calendar year before 2007, the total
- 18 assessed value of property tax deductions in the unit under
- 19 IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar
- 20 year; or
- 21 (ii) for a particular calendar year after 2006, the total
- 22 assessed value of property tax deductions that applied in the
- 23 unit under IC 6-1.1-12-42 in 2006;

24 divided by the sum determined under this STEP for the
 25 calendar year immediately preceding the particular calendar
 26 year.

27 STEP THREE: Divide the sum of the three (3) quotients
 28 computed in STEP TWO by three (3).

29 STEP FOUR: Compute separately, for each of the calendar
 30 years determined in STEP ONE, the quotient (rounded to the
 31 nearest ten-thousandth (0.0001)) of the sum of the total
 32 assessed value of all taxable property in all counties and:

- 33 (i) for a particular calendar year before 2007, the total
- 34 assessed value of property tax deductions in all counties
- 35 under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular
- 36 calendar year; or
- 37 (ii) for a particular calendar year after 2006, the total
- 38 assessed value of property tax deductions that applied in all

counties under IC 6-1.1-12-42 in 2006;
divided by the sum determined under this STEP for the
calendar year immediately preceding the particular calendar
year.

STEP FIVE: Divide the sum of the three (3) quotients
computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP
FIVE amount.

The civil taxing unit may increase its levy by a percentage not
greater than the percentage by which the STEP THREE amount
exceeds the percentage by which the civil taxing unit may
increase its levy under section 3 of this chapter based on the
assessed value growth quotient determined under section 2 of this
chapter.

(4) A levy increase may not be granted under this
subdivision for property taxes first due and payable after
December 31, 2008: Permission to the civil taxing unit to
increase its levy in excess of the limitations established
under section 3 of this chapter; if the local government tax
control board finds that the civil taxing unit needs the
increase to pay the costs of furnishing fire protection for the
civil taxing unit through a volunteer fire department. For
purposes of determining a township's need for an increased
levy, the local government tax control board shall not
consider the amount of money borrowed under IC 36-6-6-14
during the immediately preceding calendar year. However,
any increase in the amount of the civil taxing unit's levy
recommended by the local government tax control board
under this subdivision for the ensuing calendar year may not
exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a
volunteer fire department in the budget of the civil taxing
unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized
during that calendar year for the civil taxing unit's use in
paying operating expenses of a volunteer fire department

under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department:

(5) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008: Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8: The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year: For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state:

(6) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008: Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the township's township assistance ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

(B) the township needs the increase to meet the costs of providing township assistance under IC 12-20 and IC 12-30-4:

The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's township assistance ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad

valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase:

(7) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008: Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services:

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population; and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation:

(8) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008: Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the civil taxing unit is:

(i) a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000);

(ii) a city having a population of more than fifty-five thousand (55,000) but less than fifty-nine thousand (59,000);

(iii) a city having a population of more than twenty-eight thousand seven hundred (28,700) but less than twenty-nine thousand (29,000);

(iv) a city having a population of more than fifteen thousand four hundred (15,400) but less than sixteen thousand six hundred (16,600); or

(v) a city having a population of more than seven thousand (7,000) but less than seven thousand three hundred (7,300); and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(9) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a county:

(A) having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991;

(B) that operates a county jail or juvenile detention center that is subject to an order that:

(i) was issued by a federal district court; and

(ii) has not been terminated;

(C) that operates a county jail that fails to meet:

(i) American Correctional Association Jail Construction Standards; and

(ii) Indiana jail operation standards adopted by the department of correction; or

(D) that operates a juvenile detention center that fails to meet standards equivalent to the standards described in clause (C) for the operation of juvenile detention centers.

Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(10) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(11) A levy increase may not be granted under this subdivision for property taxes first due and payable after December 31, 2008. Permission for a township to increase its levy in excess of the

1 limitations established under section 3 of this chapter; if the local
 2 government tax control board finds that the township has been
 3 required; for the three (3) consecutive years preceding the year for
 4 which the appeal under this subdivision is to become effective; to
 5 borrow funds under IC 36-6-6-14 to furnish fire protection for the
 6 township or a part of the township. However, the maximum
 7 increase in a township's levy that may be allowed under this
 8 subdivision is the least of the amounts borrowed under
 9 IC 36-6-6-14 during the preceding three (3) calendar years. A
 10 township may elect to phase in an approved increase in its levy
 11 under this subdivision over a period not to exceed three (3) years.
 12 A particular township may appeal to increase its levy under this
 13 section not more frequently than every fourth calendar year.

14 ~~(12)~~ (3) Permission to a city having a population of more than
 15 twenty-nine thousand (29,000) but less than thirty-one thousand
 16 (31,000) to increase its levy in excess of the limitations
 17 established under section 3 of this chapter if:

18 (A) an appeal was granted to the city under this section to
 19 reallocate property tax replacement credits under IC 6-3.5-1.1
 20 in 1998, 1999, and 2000; and

21 (B) the increase has been approved by the legislative body of
 22 the city, and the legislative body of the city has by resolution
 23 determined that the increase is necessary to pay normal
 24 operating expenses.

25 The maximum amount of the increase is equal to the amount of
 26 property tax replacement credits under IC 6-3.5-1.1 that the city
 27 petitioned under this section to have reallocated in 2001 for a
 28 purpose other than property tax relief.

29 ~~(13)~~ A levy increase may be granted under this subdivision only
 30 for property taxes first due and payable after December 31, 2008.
 31 Permission to a civil taxing unit to increase its levy in excess of
 32 the limitations established under section 3 of this chapter if the
 33 civil taxing unit cannot carry out its governmental functions for
 34 an ensuing calendar year under the levy limitations imposed by
 35 section 3 of this chapter due to a natural disaster, an accident, or
 36 another unanticipated emergency."

36 FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 6. (a) With
37 respect to any township or county for any year, the department of local
38 government finance may initiate a review to determine whether to order

1 a special reassessment under this chapter. The review may apply to real
2 property or personal property, or both.

3 (b) If the department of local government finance determines under
4 subsection (a) ~~of this chapter~~ to initiate a review with respect to the real
5 property within a ~~township or county~~, **particular cycle under a**
6 **county's reassessment plan** or a portion of the real property within a
7 ~~township or county~~, **cycle**, the division of data analysis of the
8 department shall determine for the real property under consideration
9 and for ~~the township or county~~ **all groups of parcels within a**
10 **particular cycle**, the variance between:

11 (1) the total assessed valuation of the real property within ~~the~~
12 ~~township or county~~, **all groups of parcels within a particular**
13 **cycle**; and

14 (2) the total assessed valuation that would result if the real
15 property within ~~the township or county~~ **all groups of parcels**
16 **within a particular cycle** were valued in the manner provided by
17 law.

18 (c) If the department of local government finance determines under
19 subsection (a) ~~of this chapter~~ to initiate a review with respect to
20 personal property within a township or county, or a part of the personal
21 property within a township or county, the division of data analysis of
22 the department shall determine for the personal property under
23 consideration and for the township or county the variance between:

24 (1) the total assessed valuation of the personal property within the
25 township or county; and

26 (2) the total assessed valuation that would result if the personal
27 property within the township or county were valued in the manner
28 provided by law.

29 (d) The determination of the department of local government
30 finance under section 2 or 3 of this chapter must be based on a
31 statistically valid assessment ratio study.

32 (e) If a determination of the department of local government finance
33 to order a special reassessment under this chapter is based on a
34 coefficient of dispersion study, the department shall publish the
35 coefficient of dispersion study for the township or county in accordance
36 with IC 5-3-1-2(j).

37 (f) If:

38 (1) the variance determined under subsection (b) or (c) exceeds

- 1 twenty percent (20%); and
2 (2) the department of local government finance determines after
3 holding hearings on the matter that a special reassessment should
4 be conducted;
5 the department shall contract for a special reassessment to be
6 conducted to correct the valuation of the property.
- 7 (g) If the variance determined under subsection (b) or (c) is twenty
8 percent (20%) or less, the department of local government finance shall
9 determine whether to correct the valuation of the property under:
10 (1) IC 6-1.1-4-9 and IC 6-1.1-4-10; or
11 (2) IC 6-1.1-14.
- 12 (h) The department of local government finance shall give notice to
13 a taxpayer, by individual notice or by publication at the discretion of
14 the department, of a hearing concerning the department's intent to
15 cause the assessment of the taxpayer's property to be adjusted under
16 this section. The time fixed for the hearing must be at least ten (10)
17 days after the day the notice is mailed or published. The department
18 may conduct a single hearing under this section with respect to
19 multiple properties. The notice must state:
20 (1) the time of the hearing;
21 (2) the location of the hearing; and
22 (3) that the purpose of the hearing is to hear taxpayers' comments
23 and objections with respect to the department's intent to adjust the
24 assessment of property under this chapter.
- 25 (i) If the department of local government finance determines after
26 the hearing that the assessment of property should be adjusted under
27 this chapter, the department shall:
28 (1) cause the assessment of the property to be adjusted;
29 (2) mail a certified notice of its final determination to the county
30 auditor of the county in which the property is located; and
31 (3) notify the taxpayer as required under IC 6-1.1-14.
- 32 (j) A reassessment or adjustment may be made under this section
33 only if the notice of the final determination is given to the taxpayer
34 within the same period prescribed in IC 6-1.1-9-3 or IC 6-1.1-9-4.
- 35 (k) If the department of local government finance contracts for a
36 special reassessment of property under this chapter, the department
37 shall forward the bill for services of the reassessment contractor to the
38 county auditor, and the county shall pay the bill from the county

1 reassessment fund.

2 SECTION 89. IC 6-1.1-34-1, AS AMENDED BY P.L.246-2005,
 3 SECTION 68, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 4 JANUARY 1, 2010]: Sec. 1. ~~Each~~ **In the year in which after a general**
 5 ~~assessment of real property becomes effective; reassessment cycle of~~
 6 **real property under a county's reassessment plan is completed**, the
 7 department of local government finance shall compute a new
 8 assessment ratio for each school corporation ~~and a new state average~~
 9 ~~assessment ratio; located in a county in which a supplemental~~
 10 **county levy is imposed under IC 20-45-7 or IC 20-45-8**. In all other
 11 years, the department shall compute a new assessment ratio for **such** a
 12 school corporation ~~and a new state average assessment ratio~~ if the
 13 department finds that there has been sufficient reassessment or
 14 adjustment of one (1) or more classes of property in the school district.
 15 When the department of local government finance computes a new
 16 assessment ratio for a school corporation, the department shall publish
 17 the new ratio.

18 SECTION 90. IC 6-1.1-34-7 IS AMENDED TO READ AS
 19 FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 7. (a) Each year
 20 in which the department of local government finance computes a new
 21 assessment ratio for a school corporation, the department shall also
 22 compute a new adjustment factor for the school corporation. If the
 23 school corporation's assessment ratio for a year is more than
 24 ninety-nine percent (99%) but less than one hundred one percent
 25 (101%) of the state average assessment ratio for that year, the school
 26 corporation's adjustment factor is the number one (1). In all other cases,
 27 the school corporation's adjustment factor equals (1) the state average
 28 assessment ratio for a year, divided by (2) the school corporation's
 29 assessment ratio for that year. The department of local government
 30 finance shall notify the school corporation of its new adjustment factor
 31 before March 2 of the year in which the department calculates the new
 32 adjustment factor.

33 (b) This subsection applies in a calendar year ~~in~~ **after** which a
 34 ~~general reassessment takes effect; cycle under a county's~~
 35 **reassessment plan is completed**. If the department of local
 36 government finance has not computed

37 ~~(1) a new assessment ratio for a school corporation, or~~

38 ~~(2) a new state average assessment ratio;~~

1 the school corporation's adjustment factor is the number one (1) until
 2 the department of local government finance notifies the school
 3 corporation of the school corporation's new adjustment factor.

4 SECTION 91. IC 6-1.1-39-5, AS AMENDED BY P.L.146-2008,
 5 SECTION 296, IS AMENDED TO READ AS FOLLOWS
 6 [EFFECTIVE JANUARY 1, 2010]: Sec. 5. (a) A declaratory ordinance
 7 adopted under section 2 of this chapter and confirmed under section 3
 8 of this chapter must include a provision with respect to the allocation
 9 and distribution of property taxes for the purposes and in the manner
 10 provided in this section. The allocation provision must apply to the
 11 entire economic development district. The allocation provisions must
 12 require that any property taxes subsequently levied by or for the benefit
 13 of any public body entitled to a distribution of property taxes on taxable
 14 property in the economic development district be allocated and
 15 distributed as follows:

16 (1) Except as otherwise provided in this section, the proceeds of
 17 the taxes attributable to the lesser of:

18 (A) the assessed value of the property for the assessment date
 19 with respect to which the allocation and distribution is made;

20 or

21 (B) the base assessed value;

22 shall be allocated to and, when collected, paid into the funds of
 23 the respective taxing units. However, if the effective date of the
 24 allocation provision of a declaratory ordinance is after March 1,
 25 1985, and before January 1, 1986, and if an improvement to
 26 property was partially completed on March 1, 1985, the unit may
 27 provide in the declaratory ordinance that the taxes attributable to
 28 the assessed value of the property as finally determined for March
 29 1, 1984, shall be allocated to and, when collected, paid into the
 30 funds of the respective taxing units.

31 (2) Except as otherwise provided in this section, part or all of the
 32 property tax proceeds in excess of those described in subdivision
 33 (1), as specified in the declaratory ordinance, shall be allocated to
 34 the unit for the economic development district and, when
 35 collected, paid into a special fund established by the unit for that
 36 economic development district that may be used only to pay the
 37 principal of and interest on obligations owed by the unit under
 38 IC 4-4-8 (before its repeal) or IC 5-28-9 for the financing of

1 industrial development programs in, or serving, that economic
 2 development district. The amount not paid into the special fund
 3 shall be paid to the respective units in the manner prescribed by
 4 subdivision (1).

5 (3) When the money in the fund is sufficient to pay all
 6 outstanding principal of and interest (to the earliest date on which
 7 the obligations can be redeemed) on obligations owed by the unit
 8 under IC 4-4-8 (before its repeal) or IC 5-28-9 for the financing
 9 of industrial development programs in, or serving, that economic
 10 development district, money in the special fund in excess of that
 11 amount shall be paid to the respective taxing units in the manner
 12 prescribed by subdivision (1).

13 (b) Property tax proceeds allocable to the economic development
 14 district under subsection (a)(2) must, subject to subsection (a)(3), be
 15 irrevocably pledged by the unit for payment as set forth in subsection
 16 (a)(2).

17 (c) For the purpose of allocating taxes levied by or for any taxing
 18 unit or units, the assessed value of taxable property in a territory in the
 19 economic development district that is annexed by any taxing unit after
 20 the effective date of the allocation provision of the declaratory
 21 ordinance is the lesser of:

- 22 (1) the assessed value of the property for the assessment date with
- 23 respect to which the allocation and distribution is made; or
- 24 (2) the base assessed value.

25 (d) Notwithstanding any other law, each assessor shall, upon
 26 petition of the fiscal body, reassess the taxable property situated upon
 27 or in, or added to, the economic development district effective on the
 28 next assessment date after the petition.

29 (e) Notwithstanding any other law, the assessed value of all taxable
 30 property in the economic development district, for purposes of tax
 31 limitation, property tax replacement, and formulation of the budget, tax
 32 rate, and tax levy for each political subdivision in which the property
 33 is located, is the lesser of:

- 34 (1) the assessed value of the property as valued without regard to
- 35 this section; or
- 36 (2) the base assessed value.

37 (f) The state board of accounts and department of local government
 38 finance shall make the rules and prescribe the forms and procedures

that they consider expedient for the implementation of this chapter. After each ~~general~~ reassessment **of a group of parcels under a county's reassessment plan** under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the ~~general~~ reassessment on the property tax proceeds allocated to the district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1.

(g) As used in this section, "property taxes" means:

- (1) taxes imposed under this article on real property; and
- (2) any part of the taxes imposed under this article on depreciable personal property that the unit has by ordinance allocated to the economic development district. However, the ordinance may not limit the allocation to taxes on depreciable personal property with any particular useful life or lives.

If a unit had, by ordinance adopted before May 8, 1987, allocated to an economic development district property taxes imposed under IC 6-1.1 on depreciable personal property that has a useful life in excess of eight (8) years, the ordinance continues in effect until an ordinance is adopted by the unit under subdivision (2).

(h) As used in this section, "base assessed value" means:

- (1) the net assessed value of all the property as finally determined for the assessment date immediately preceding the effective date of the allocation provision of the declaratory resolution, as adjusted under subsection (f); plus
- (2) to the extent that it is not included in subdivision (1), the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date after the effective date of the allocation provision.

Subdivision (2) applies only to economic development districts established after June 30, 1997, and to additional areas established after June 30, 1997.

SECTION 92. IC 6-1.1-42-28, AS AMENDED BY P.L.219-2007,

SECTION 86, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 28. (a) Subject to this section and section 34 of this chapter, the amount of the deduction which the property owner is entitled to receive under this chapter for a particular year equals the product of:

(1) the increase in the assessed value resulting from the remediation and redevelopment in the zone or the location of personal property in the zone, or both; multiplied by

(2) the percentage determined under subsection (b).

(b) The percentage to be used in calculating the deduction under subsection (a) is as follows:

(1) For deductions allowed over a three (3) year period:

YEAR OF DEDUCTION	PERCENTAGE
1st	100%
2nd	66%
3rd	33%

(2) For deductions allowed over a six (6) year period:

YEAR OF DEDUCTION	PERCENTAGE

5th	34%
6th	17%

(3) For deductions allowed over a ten (10) year period:

YEAR OF DEDUCTION	PERCENTAGE

6th	40%
7th	30%
8th	20%
9th	10%
10th	5%

(c) The amount of the deduction determined under subsection (a) shall be adjusted in accordance with this subsection in the following

1 circumstances:

- 2 (1) If a ~~general~~ reassessment of **the** real property **under a**
- 3 **county's reassessment plan** occurs within the particular period
- 4 of the deduction, the amount determined under subsection (a)(1)
- 5 shall be adjusted to reflect the percentage increase or decrease in
- 6 assessed valuation that resulted from the ~~general~~ reassessment.
- 7 (2) If an appeal of an assessment is approved that results in a
- 8 reduction of the assessed value of the redeveloped or rehabilitated
- 9 property, the amount of any deduction shall be adjusted to reflect
- 10 the percentage decrease that resulted from the appeal.
- 11 (3) The amount of the deduction may not exceed the limitations
- 12 imposed by the designating body under section 23 of this chapter.
- 13 (4) The amount of the deduction must be proportionally reduced
- 14 by the proportionate ownership of the property by a person that:
- 15 (A) has an ownership interest in an entity that contributed; or
- 16 (B) has contributed;
- 17 a contaminant (as defined in IC 13-11-2-42) that is the subject of
- 18 the voluntary remediation, as determined under the written

16 SECTION 126. IC 36-7-14-39, AS AMENDED BY P.L.146-2008,
17 SECTION 738, IS AMENDED TO READ AS FOLLOWS
18 [EFFECTIVE JANUARY 1, 2010]: Sec. 39. (a) As used in this section:

19 "Allocation area" means that part of a redevelopment project area
20 to which an allocation provision of a declaratory resolution adopted
21 under section 15 of this chapter refers for purposes of distribution and
22 allocation of property taxes.

23 "Base assessed value" means the following:

24 (1) If an allocation provision is adopted after June 30, 1995, in a
25 declaratory resolution or an amendment to a declaratory
26 resolution establishing an economic development area:

27 (A) the net assessed value of all the property as finally
28 determined for the assessment date immediately preceding the
29 effective date of the allocation provision of the declaratory
30 resolution, as adjusted under subsection (h); plus

31 (B) to the extent that it is not included in clause (A), the net
32 assessed value of property that is assessed as residential
33 property under the rules of the department of local government
34 finance, as finally determined for any assessment date after the
35 effective date of the allocation provision.

36 (2) If an allocation provision is adopted after June 30, 1997, in a
37 declaratory resolution or an amendment to a declaratory
38 resolution establishing a redevelopment project area:

- 1 (A) the net assessed value of all the property as finally
 2 determined for the assessment date immediately preceding the
 3 effective date of the allocation provision of the declaratory
 4 resolution, as adjusted under subsection (h); plus
 5 (B) to the extent that it is not included in clause (A), the net
 6 assessed value of property that is assessed as residential
 7 property under the rules of the department of local government
 8 finance, as finally determined for any assessment date after the
 9 effective date of the allocation provision.
- 10 (3) If:
- 11 (A) an allocation provision adopted before June 30, 1995, in
 12 a declaratory resolution or an amendment to a declaratory
 13 resolution establishing a redevelopment project area expires
 14 after June 30, 1997; and
 15 (B) after June 30, 1997, a new allocation provision is included
 16 in an amendment to the declaratory resolution;
 17 the net assessed value of all the property as finally determined for
 18 the assessment date immediately preceding the effective date of
 19 the allocation provision adopted after June 30, 1997, as adjusted
 20 under subsection (h).
- 21 (4) Except as provided in subdivision (5), for all other allocation
 22 areas, the net assessed value of all the property as finally
 23 determined for the assessment date immediately preceding the
 24 effective date of the allocation provision of the declaratory
 25 resolution, as adjusted under subsection (h).
- 26 (5) If an allocation area established in an economic development
 27 area before July 1, 1995, is expanded after June 30, 1995, the
 28 definition in subdivision (1) applies to the expanded part of the
 29 area added after June 30, 1995.
- 30 (6) If an allocation area established in a redevelopment project
 31 area before July 1, 1997, is expanded after June 30, 1997, the
 32 definition in subdivision (2) applies to the expanded part of the
 33 area added after June 30, 1997.
- 34 Except as provided in section 39.3 of this chapter, "property taxes"
 35 means taxes imposed under IC 6-1.1 on real property. However, upon
 36 approval by a resolution of the redevelopment commission adopted
 37 before June 1, 1987, "property taxes" also includes taxes imposed
 38 under IC 6-1.1 on depreciable personal property. If a redevelopment

1 commission adopted before June 1, 1987, a resolution to include within
2 the definition of property taxes taxes imposed under IC 6-1.1 on
3 depreciable personal property that has a useful life in excess of eight
4 (8) years, the commission may by resolution determine the percentage
5 of taxes imposed under IC 6-1.1 on all depreciable personal property
6 that will be included within the definition of property taxes. However,
7 the percentage included must not exceed twenty-five percent (25%) of
8 the taxes imposed under IC 6-1.1 on all depreciable personal property.

9 (b) A declaratory resolution adopted under section 15 of this chapter
10 on or before the allocation deadline determined under subsection (i)
11 may include a provision with respect to the allocation and distribution
12 of property taxes for the purposes and in the manner provided in this
13 section. A declaratory resolution previously adopted may include an
14 allocation provision by the amendment of that declaratory resolution on
15 or before the allocation deadline determined under subsection (i) in
16 accordance with the procedures required for its original adoption. A
17 declaratory resolution or an amendment that establishes an allocation
18 provision after June 30, 1995, must specify an expiration date for the
19 allocation provision. For an allocation area established before July 1,
20 2008, the expiration date may not be more than thirty (30) years after
21 the date on which the allocation provision is established. For an
22 allocation area established after June 30, 2008, the expiration date may
23 not be more than twenty-five (25) years after the date on which the
24 allocation provision is established. However, with respect to bonds or
25 other obligations that were issued before July 1, 2008, if any of the
26 bonds or other obligations that were scheduled when issued to mature
27 before the specified expiration date and that are payable only from
28 allocated tax proceeds with respect to the allocation area remain
29 outstanding as of the expiration date, the allocation provision does not
30 expire until all of the bonds or other obligations are no longer
31 outstanding. The allocation provision may apply to all or part of the
32 redevelopment project area. The allocation provision must require that
33 any property taxes subsequently levied by or for the benefit of any
34 public body entitled to a distribution of property taxes on taxable
35 property in the allocation area be allocated and distributed as follows:

36 (1) Except as otherwise provided in this section, the proceeds of
37 the taxes attributable to the lesser of:

38 (A) the assessed value of the property for the assessment date

- 1 with respect to which the allocation and distribution is made;
 2 or
 3 (B) the base assessed value;
 4 shall be allocated to and, when collected, paid into the funds of
 5 the respective taxing units.
 6 (2) Except as otherwise provided in this section, property tax
 7 proceeds in excess of those described in subdivision (1) shall be
 8 allocated to the redevelopment district and, when collected, paid
 9 into an allocation fund for that allocation area that may be used by
 10 the redevelopment district only to do one (1) or more of the
 11 following:
- 12 (A) Pay the principal of and interest on any obligations
 13 payable solely from allocated tax proceeds which are incurred
 14 by the redevelopment district for the purpose of financing or
 15 refinancing the redevelopment of that allocation area.
 - 16 (B) Establish, augment, or restore the debt service reserve for
 17 bonds payable solely or in part from allocated tax proceeds in
 18 that allocation area.
 - 19 (C) Pay the principal of and interest on bonds payable from
 20 allocated tax proceeds in that allocation area and from the
 21 special tax levied under section 27 of this chapter.
 - 22 (D) Pay the principal of and interest on bonds issued by the
 23 unit to pay for local public improvements that are physically
 24 located in or physically connected to that allocation area.
 - 25 (E) Pay premiums on the redemption before maturity of bonds
 26 payable solely or in part from allocated tax proceeds in that
 27 allocation area.
 - 28 (F) Make payments on leases payable from allocated tax
 29 proceeds in that allocation area under section 25.2 of this
 30 chapter.
 - 31 (G) Reimburse the unit for expenditures made by it for local
 32 public improvements (which include buildings, parking
 33 facilities, and other items described in section 25.1(a) of this
 34 chapter) that are physically located in or physically connected
 35 to that allocation area.
 - 36 (H) Reimburse the unit for rentals paid by it for a building or
 37 parking facility that is physically located in or physically
 38 connected to that allocation area under any lease entered into

1 under IC 36-1-10.

2 (I) For property taxes first due and payable before January 1,
3 2009, pay all or a part of a property tax replacement credit to
4 taxpayers in an allocation area as determined by the
5 redevelopment commission. This credit equals the amount
6 determined under the following STEPS for each taxpayer in a
7 taxing district (as defined in IC 6-1.1-1-20) that contains all or
8 part of the allocation area:

9 STEP ONE: Determine that part of the sum of the amounts
10 under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2),
11 IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and
12 IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

13 STEP TWO: Divide:

14 (i) that part of each county's eligible property tax
15 replacement amount (as defined in IC 6-1.1-21-2) for that
16 year as determined under IC 6-1.1-21-4 that is attributable
17 to the taxing district; by

18 (ii) the STEP ONE sum.

19 STEP THREE: Multiply:

20 (i) the STEP TWO quotient; times

21 (ii) the total amount of the taxpayer's taxes (as defined in
22 IC 6-1.1-21-2) levied in the taxing district that have been
23 allocated during that year to an allocation fund under this
24 section.

25 If not all the taxpayers in an allocation area receive the credit
26 in full, each taxpayer in the allocation area is entitled to
27 receive the same proportion of the credit. A taxpayer may not
28 receive a credit under this section and a credit under section
29 39.5 of this chapter (before its repeal) in the same year.

30 (J) Pay expenses incurred by the redevelopment commission
31 for local public improvements that are in the allocation area or
32 serving the allocation area. Public improvements include
33 buildings, parking facilities, and other items described in
34 section 25.1(a) of this chapter.

35 (K) Reimburse public and private entities for expenses
36 incurred in training employees of industrial facilities that are
37 located:

38 (i) in the allocation area; and

1 (ii) on a parcel of real property that has been classified as
 2 industrial property under the rules of the department of local
 3 government finance.

4 However, the total amount of money spent for this purpose in
 5 any year may not exceed the total amount of money in the
 6 allocation fund that is attributable to property taxes paid by the
 7 industrial facilities described in this clause. The
 8 reimbursements under this clause must be made within three
 9 (3) years after the date on which the investments that are the
 10 basis for the increment financing are made.

11 The allocation fund may not be used for operating expenses of the
 12 commission.

13 (3) Except as provided in subsection (g), before July 15 of each
 14 year the commission shall do the following:

15 (A) Determine the amount, if any, by which the assessed value
 16 of the taxable property in the allocation area for the most
 17 recent assessment date minus the base assessed value, when
 18 multiplied by the estimated tax rate of the allocation area, will
 19 exceed the amount of assessed value needed to produce the
 20 property taxes necessary to make, when due, principal and
 21 interest payments on bonds described in subdivision (2) plus
 22 the amount necessary for other purposes described in
 23 subdivision (2).

24 (B) Provide a written notice to the county auditor, the fiscal
 25 body of the county or municipality that established the
 26 department of redevelopment, and the officers who are
 27 authorized to fix budgets, tax rates, and tax levies under
 28 IC 6-1.1-17-5 for each of the other taxing units that is wholly
 29 or partly located within the allocation area. The notice must:

30 (i) state the amount, if any, of excess assessed value that the
 31 commission has determined may be allocated to the
 32 respective taxing units in the manner prescribed in
 33 subdivision (1); or

34 (ii) state that the commission has determined that there is no
 35 excess assessed value that may be allocated to the respective
 36 taxing units in the manner prescribed in subdivision (1).

37 The county auditor shall allocate to the respective taxing units
 38 the amount, if any, of excess assessed value determined by the

1 commission. The commission may not authorize an allocation
2 of assessed value to the respective taxing units under this
3 subdivision if to do so would endanger the interests of the
4 holders of bonds described in subdivision (2) or lessors under
5 section 25.3 of this chapter.

6 (c) For the purpose of allocating taxes levied by or for any taxing
7 unit or units, the assessed value of taxable property in a territory in the
8 allocation area that is annexed by any taxing unit after the effective
9 date of the allocation provision of the declaratory resolution is the
10 lesser of:

11 (1) the assessed value of the property for the assessment date with
12 respect to which the allocation and distribution is made; or

13 (2) the base assessed value.

14 (d) Property tax proceeds allocable to the redevelopment district
15 under subsection (b)(2) may, subject to subsection (b)(3), be
16 irrevocably pledged by the redevelopment district for payment as set
17 forth in subsection (b)(2).

18 (e) Notwithstanding any other law, each assessor shall, upon
19 petition of the redevelopment commission, reassess the taxable
20 property situated upon or in, or added to, the allocation area, effective
21 on the next assessment date after the petition.

22 (f) Notwithstanding any other law, the assessed value of all taxable
23 property in the allocation area, for purposes of tax limitation, property
24 tax replacement, and formulation of the budget, tax rate, and tax levy
25 for each political subdivision in which the property is located is the
26 lesser of:

27 (1) the assessed value of the property as valued without regard to
28 this section; or

29 (2) the base assessed value.

30 (g) If any part of the allocation area is located in an enterprise zone
31 created under IC 5-28-15, the unit that designated the allocation area
32 shall create funds as specified in this subsection. A unit that has
33 obligations, bonds, or leases payable from allocated tax proceeds under
34 subsection (b)(2) shall establish an allocation fund for the purposes
35 specified in subsection (b)(2) and a special zone fund. Such a unit
36 shall, until the end of the enterprise zone phase out period, deposit each
37 year in the special zone fund any amount in the allocation fund derived
38 from property tax proceeds in excess of those described in subsection

(b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. The amount sufficient for purposes specified in subsection (b)(2) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each ~~general~~ reassessment of real property in an area under a county's reassessment plan under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the ~~general~~ reassessment of the real property in the area under a county's reassessment plan on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable

1 to the redevelopment district under subsection (b)(2) than would
 2 otherwise have been received if the ~~general~~ reassessment **under a**
 3 **county's reassessment plan** or annual adjustment had not occurred.
 4 The department of local government finance may prescribe procedures
 5 for county and township officials to follow to assist the department in
 6 making the adjustments.

7 (i) The allocation deadline referred to in subsection (b) is
 8 determined in the following manner:

9 (1) The initial allocation deadline is December 31, 2011.

10 (2) Subject to subdivision (3), the initial allocation deadline and
 11 subsequent allocation deadlines are automatically extended in
 12 increments of five (5) years, so that allocation deadlines
 13 subsequent to the initial allocation deadline fall on December 31,
 14 2016, and December 31 of each fifth year thereafter.

15 (3) At least one (1) year before the date of an allocation deadline
 16 determined under subdivision (2), the general assembly may enact
 17 a law that:

18 (A) terminates the automatic extension of allocation deadlines
 19 under subdivision (2); and

20 (B) specifically designates a particular date as the final
 21 allocation deadline.

22 SECTION 127. IC 36-7-15.1-26, AS AMENDED BY P.L.146-2008,
 23 SECTION 755, IS AMENDED TO READ AS FOLLOWS
 24 [EFFECTIVE JANUARY 1, 2010]: Sec. 26. (a) As used in this section:

25 "Allocation area" means that part of a redevelopment project area
 26 to which an allocation provision of a resolution adopted under section
 27 8 of this chapter refers for purposes of distribution and allocation of
 28 property taxes.

29 "Base assessed value" means the following:

30 (1) If an allocation provision is adopted after June 30, 1995, in a
 31 declaratory resolution or an amendment to a declaratory
 32 resolution establishing an economic development area:

33 (A) the net assessed value of all the property as finally
 34 determined for the assessment date immediately preceding the
 35 effective date of the allocation provision of the declaratory
 36 resolution, as adjusted under subsection (h); plus

37 (B) to the extent that it is not included in clause (A), the net
 38 assessed value of property that is assessed as residential

- 1 property under the rules of the department of local government
 2 finance, as finally determined for any assessment date after the
 3 effective date of the allocation provision.
- 4 (2) If an allocation provision is adopted after June 30, 1997, in a
 5 declaratory resolution or an amendment to a declaratory
 6 resolution establishing a redevelopment project area:
- 7 (A) the net assessed value of all the property as finally
 8 determined for the assessment date immediately preceding the
 9 effective date of the allocation provision of the declaratory
 10 resolution, as adjusted under subsection (h); plus
 11 (B) to the extent that it is not included in clause (A), the net
 12 assessed value of property that is assessed as residential
 13 property under the rules of the department of local government
 14 finance, as finally determined for any assessment date after the
 15 effective date of the allocation provision.
- 16 (3) If:
- 17 (A) an allocation provision adopted before June 30, 1995, in
 18 a declaratory resolution or an amendment to a declaratory
 19 resolution establishing a redevelopment project area expires
 20 after June 30, 1997; and
 21 (B) after June 30, 1997, a new allocation provision is included
 22 in an amendment to the declaratory resolution;
 23 the net assessed value of all the property as finally determined for
 24 the assessment date immediately preceding the effective date of
 25 the allocation provision adopted after June 30, 1997, as adjusted
 26 under subsection (h).
- 27 (4) Except as provided in subdivision (5), for all other allocation
 28 areas, the net assessed value of all the property as finally
 29 determined for the assessment date immediately preceding the
 30 effective date of the allocation provision of the declaratory
 31 resolution, as adjusted under subsection (h).
- 32 (5) If an allocation area established in an economic development
 33 area before July 1, 1995, is expanded after June 30, 1995, the
 34 definition in subdivision (1) applies to the expanded part of the
 35 area added after June 30, 1995.
- 36 (6) If an allocation area established in a redevelopment project
 37 area before July 1, 1997, is expanded after June 30, 1997, the
 38 definition in subdivision (2) applies to the expanded part of the

1 area added after June 30, 1997.

2 Except as provided in section 26.2 of this chapter, "property taxes"

3 means taxes imposed under IC 6-1.1 on real property. However, upon

4 approval by a resolution of the redevelopment commission adopted

5 before June 1, 1987, "property taxes" also includes taxes imposed

6 under IC 6-1.1 on depreciable personal property. If a redevelopment

7 commission adopted before June 1, 1987, a resolution to include within

8 the definition of property taxes taxes imposed under IC 6-1.1 on

9 depreciable personal property that has a useful life in excess of eight

10 (8) years, the commission may by resolution determine the percentage

11 of taxes imposed under IC 6-1.1 on all depreciable personal property

12 that will be included within the definition of property taxes. However,

13 the percentage included must not exceed twenty-five percent (25%) of

14 the taxes imposed under IC 6-1.1 on all depreciable personal property.

15 (b) A resolution adopted under section 8 of this chapter on or before

16 the allocation deadline determined under subsection (i) may include a

17 provision with respect to the allocation and distribution of property

18 taxes for the purposes and in the manner provided in this section. A

19 resolution previously adopted may include an allocation provision by

20 the amendment of that resolution on or before the allocation deadline

21 determined under subsection (i) in accordance with the procedures

22 required for its original adoption. A declaratory resolution or an

23 amendment that establishes an allocation provision after June 30, 1995,

24 must specify an expiration date for the allocation provision. For an

25 allocation area established before July 1, 2008, the expiration date may

26 not be more than thirty (30) years after the date on which the allocation

27 provision is established. For an allocation area established after June

28 30, 2008, the expiration date may not be more than twenty-five (25)

29 years after the date on which the allocation provision is established.

30 However, with respect to bonds or other obligations that were issued

31 before July 1, 2008, if any of the bonds or other obligations that were

32 scheduled when issued to mature before the specified expiration date

33 and that are payable only from allocated tax proceeds with respect to

34 the allocation area remain outstanding as of the expiration date, the

35 allocation provision does not expire until all of the bonds or other

36 obligations are no longer outstanding. The allocation provision may

37 apply to all or part of the redevelopment project area. The allocation

38 provision must require that any property taxes subsequently levied by

1 or for the benefit of any public body entitled to a distribution of
 2 property taxes on taxable property in the allocation area be allocated
 3 and distributed as follows:

4 (1) Except as otherwise provided in this section, the proceeds of
 5 the taxes attributable to the lesser of:

6 (A) the assessed value of the property for the assessment date
 7 with respect to which the allocation and distribution is made;
 8 or

9 (B) the base assessed value;

10 shall be allocated to and, when collected, paid into the funds of
 11 the respective taxing units.

12 (2) Except as otherwise provided in this section, property tax
 13 proceeds in excess of those described in subdivision (1) shall be
 14 allocated to the redevelopment district and, when collected, paid
 15 into a special fund for that allocation area that may be used by the
 16 redevelopment district only to do one (1) or more of the
 17 following:

18 (A) Pay the principal of and interest on any obligations
 19 payable solely from allocated tax proceeds that are incurred by
 20 the redevelopment district for the purpose of financing or
 21 refinancing the redevelopment of that allocation area.

22 (B) Establish, augment, or restore the debt service reserve for
 23 bonds payable solely or in part from allocated tax proceeds in
 24 that allocation area.

25 (C) Pay the principal of and interest on bonds payable from
 26 allocated tax proceeds in that allocation area and from the
 27 special tax levied under section 19 of this chapter.

28 (D) Pay the principal of and interest on bonds issued by the
 29 consolidated city to pay for local public improvements that are
 30 physically located in or physically connected to that allocation
 31 area.

32 (E) Pay premiums on the redemption before maturity of bonds
 33 payable solely or in part from allocated tax proceeds in that
 34 allocation area.

35 (F) Make payments on leases payable from allocated tax
 36 proceeds in that allocation area under section 17.1 of this
 37 chapter.

38 (G) Reimburse the consolidated city for expenditures for local

public improvements (which include buildings, parking facilities, and other items set forth in section 17 of this chapter) that are physically located in or physically connected to that allocation area.

(H) Reimburse the unit for rentals paid by it for a building or parking facility that is physically located in or physically connected to that allocation area under any lease entered into under IC 36-1-10.

(I) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(i) in the allocation area; and

(ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made.

The special fund may not be used for operating expenses of the commission.

(3) Before July 15 of each year, the commission shall do the following:

(A) Determine the amount, if any, by which the assessed value of the taxable property in the allocation area for the most recent assessment date minus the base assessed value, when multiplied by the estimated tax rate of the allocation area, will exceed the amount of assessed value needed to provide the property taxes necessary to make, when due, principal and interest payments on bonds described in subdivision (2) plus the amount necessary for other purposes described in subdivision (2) and subsection (g).

(B) Provide a written notice to the county auditor, the legislative body of the consolidated city, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly

- 1 or partly located within the allocation area. The notice must:
- 2 (i) state the amount, if any, of excess assessed value that the
- 3 commission has determined may be allocated to the
- 4 respective taxing units in the manner prescribed in
- 5 subdivision (1); or
- 6 (ii) state that the commission has determined that there is no
- 7 excess assessed value that may be allocated to the respective
- 8 taxing units in the manner prescribed in subdivision (1).
- 9 The county auditor shall allocate to the respective taxing units
- 10 the amount, if any, of excess assessed value determined by the
- 11 commission. The commission may not authorize an allocation
- 12 to the respective taxing units under this subdivision if to do so
- 13 would endanger the interests of the holders of bonds described
- 14 in subdivision (2).
- 15 (c) For the purpose of allocating taxes levied by or for any taxing
- 16 unit or units, the assessed value of taxable property in a territory in the
- 17 allocation area that is annexed by any taxing unit after the effective
- 18 date of the allocation provision of the resolution is the lesser of:
- 19 (1) the assessed value of the property for the assessment date with
- 20 respect to which the allocation and distribution is made; or
- 21 (2) the base assessed value.
- 22 (d) Property tax proceeds allocable to the redevelopment district
- 23 under subsection (b)(2) may, subject to subsection (b)(3), be
- 24 irrevocably pledged by the redevelopment district for payment as set
- 25 forth in subsection (b)(2).
- 26 (e) Notwithstanding any other law, each assessor shall, upon
- 27 petition of the commission, reassess the taxable property situated upon
- 28 or in, or added to, the allocation area, effective on the next assessment
- 29 date after the petition.
- 30 (f) Notwithstanding any other law, the assessed value of all taxable
- 31 property in the allocation area, for purposes of tax limitation, property
- 32 tax replacement, and formulation of the budget, tax rate, and tax levy
- 33 for each political subdivision in which the property is located is the
- 34 lesser of:
- 35 (1) the assessed value of the property as valued without regard to
- 36 this section; or
- 37 (2) the base assessed value.
- 38 (g) If any part of the allocation area is located in an enterprise zone

created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

(1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in the enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(2). However, where reference is made in subsection (b)(2) to the allocation area, the reference refers for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures

that they consider expedient for the implementation of this chapter. After each ~~general~~ **reassessment of real property in an area under a county's reassessment plan** under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the ~~general~~ **reassessment of the real property in the area under a county's reassessment plan** on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the ~~general~~ **reassessment under a county's reassessment plan** or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final allocation deadline.

SECTION 128. IC 36-7-15.1-53, AS AMENDED BY P.L.146-2008, SECTION 765, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 53. (a) As used in this section:

1 "Allocation area" means that part of a redevelopment project area
 2 to which an allocation provision of a resolution adopted under section
 3 40 of this chapter refers for purposes of distribution and allocation of
 4 property taxes.

5 "Base assessed value" means:

- 6 (1) the net assessed value of all the property as finally determined
- 7 for the assessment date immediately preceding the effective date
- 8 of the allocation provision of the declaratory resolution, as
- 9 adjusted under subsection (h); plus
- 10 (2) to the extent that it is not included in subdivision (1), the net
- 11 assessed value of property that is assessed as residential property
- 12 under the rules of the department of local government finance, as
- 13 finally determined for any assessment date after the effective date
- 14 of the allocation provision.

15 Except as provided in section 55 of this chapter, "property taxes"
 16 means taxes imposed under IC 6-1.1 on real property.

17 (b) A resolution adopted under section 40 of this chapter on or
 18 before the allocation deadline determined under subsection (i) may
 19 include a provision with respect to the allocation and distribution of
 20 property taxes for the purposes and in the manner provided in this
 21 section. A resolution previously adopted may include an allocation
 22 provision by the amendment of that resolution on or before the
 23 allocation deadline determined under subsection (i) in accordance with
 24 the procedures required for its original adoption. A declaratory
 25 resolution or an amendment that establishes an allocation provision
 26 must be approved by resolution of the legislative body of the excluded
 27 city and must specify an expiration date for the allocation provision.
 28 For an allocation area established before July 1, 2008, the expiration
 29 date may not be more than thirty (30) years after the date on which the
 30 allocation provision is established. For an allocation area established
 31 after June 30, 2008, the expiration date may not be more than
 32 twenty-five (25) years after the date on which the allocation provision
 33 is established. However, with respect to bonds or other obligations that
 34 were issued before July 1, 2008, if any of the bonds or other obligations
 35 that were scheduled when issued to mature before the specified
 36 expiration date and that are payable only from allocated tax proceeds
 37 with respect to the allocation area remain outstanding as of the
 38 expiration date, the allocation provision does not expire until all of the

bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the redevelopment project area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

(1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:

(A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made;

or

(B) the base assessed value;

shall be allocated to and, when collected, paid into the funds of the respective taxing units.

(2) Except as otherwise provided in this section, property tax proceeds in excess of those described in subdivision (1) shall be allocated to the redevelopment district and, when collected, paid into a special fund for that allocation area that may be used by the redevelopment district only to do one (1) or more of the following:

(A) Pay the principal of and interest on any obligations payable solely from allocated tax proceeds that are incurred by the redevelopment district for the purpose of financing or refinancing the redevelopment of that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area.

(C) Pay the principal of and interest on bonds payable from allocated tax proceeds in that allocation area and from the special tax levied under section 50 of this chapter.

(D) Pay the principal of and interest on bonds issued by the excluded city to pay for local public improvements that are physically located in or physically connected to that allocation area.

(E) Pay premiums on the redemption before maturity of bonds payable solely or in part from allocated tax proceeds in that allocation area.

(F) Make payments on leases payable from allocated tax

1 proceeds in that allocation area under section 46 of this
2 chapter.

3 (G) Reimburse the excluded city for expenditures for local
4 public improvements (which include buildings, park facilities,
5 and other items set forth in section 45 of this chapter) that are
6 physically located in or physically connected to that allocation
7 area.

8 (H) Reimburse the unit for rentals paid by it for a building or
9 parking facility that is physically located in or physically
10 connected to that allocation area under any lease entered into
11 under IC 36-1-10.

12 (I) Reimburse public and private entities for expenses incurred
13 in training employees of industrial facilities that are located:

- 14 (i) in the allocation area; and
- 15 (ii) on a parcel of real property that has been classified as
16 industrial property under the rules of the department of local
17 government finance.

18 However, the total amount of money spent for this purpose in
19 any year may not exceed the total amount of money in the
20 allocation fund that is attributable to property taxes paid by the
21 industrial facilities described in this clause. The
22 reimbursements under this clause must be made within three
23 (3) years after the date on which the investments that are the
24 basis for the increment financing are made.

25 The special fund may not be used for operating expenses of the
26 commission.

27 (3) Before July 15 of each year, the commission shall do the
28 following:

29 (A) Determine the amount, if any, by which the assessed value
30 of the taxable property in the allocation area for the most
31 recent assessment date minus the base assessed value, when
32 multiplied by the estimated tax rate of the allocation area, will
33 exceed the amount of assessed value needed to provide the
34 property taxes necessary to make, when due, principal and
35 interest payments on bonds described in subdivision (2) plus
36 the amount necessary for other purposes described in
37 subdivision (2) and subsection (g).

38 (B) Provide a written notice to the county auditor, the fiscal

body of the county or municipality that established the department of redevelopment, and the officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of excess assessed value that the commission has determined may be allocated to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the commission has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditor shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the commission. The commission may not authorize an allocation to the respective taxing units under this subdivision if to do so would endanger the interests of the holders of bonds described in subdivision (2).

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by any taxing unit after the effective date of the allocation provision of the resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the redevelopment district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the redevelopment district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the commission, reassess the taxable property situated upon or in, or added to, the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property tax replacement, and formulation of the budget, tax rate, and tax levy for each political subdivision in which the property is located, is the lesser of:

(1) the assessed value of the property as valued without regard to this section; or

(2) the base assessed value.

(g) If any part of the allocation area is located in an enterprise zone created under IC 5-28-15, the unit that designated the allocation area shall create funds as specified in this subsection. A unit that has obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund the amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund, based on the recommendations of the urban enterprise association, for one (1) or more of the following purposes:

(1) To pay for programs in job training, job enrichment, and basic skill development designed to benefit residents and employers in the enterprise zone. The programs must reserve at least one-half (1/2) of the enrollment in any session for residents of the enterprise zone.

(2) To make loans and grants for the purpose of stimulating business activity in the enterprise zone or providing employment for enterprise zone residents in an enterprise zone. These loans and grants may be made to the following:

(A) Businesses operating in the enterprise zone.

(B) Businesses that will move their operations to the enterprise zone if such a loan or grant is made.

(3) To provide funds to carry out other purposes specified in subsection (b)(2). However, where reference is made in subsection (b)(2) to the allocation area, the reference refers, for

purposes of payments from the special zone fund, only to that part of the allocation area that is also located in the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each ~~general~~ reassessment **of real property in an area under a county's reassessment plan** under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the ~~general~~ reassessment **of the real property in the area under a county's reassessment plan** on the property tax proceeds allocated to the redevelopment district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the ~~general~~ reassessment **under a county's reassessment plan** or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

(i) The allocation deadline referred to in subsection (b) is determined in the following manner:

(1) The initial allocation deadline is December 31, 2011.

(2) Subject to subdivision (3), the initial allocation deadline and subsequent allocation deadlines are automatically extended in increments of five (5) years, so that allocation deadlines subsequent to the initial allocation deadline fall on December 31, 2016, and December 31 of each fifth year thereafter.

(3) At least one (1) year before the date of an allocation deadline determined under subdivision (2), the general assembly may enact a law that:

(A) terminates the automatic extension of allocation deadlines under subdivision (2); and

(B) specifically designates a particular date as the final

1 allocation deadline.

2 SECTION 129. IC 36-7-30-25, AS AMENDED BY P.L.146-2008,
3 SECTION 770, IS AMENDED TO READ AS FOLLOWS
4 [EFFECTIVE JANUARY 1, 2010]: Sec. 25. (a) The following
5 definitions apply throughout this section:

6 (1) "Allocation area" means that part of a military base reuse area
7 to which an allocation provision of a declaratory resolution
8 adopted under section 10 of this chapter refers for purposes of
9 distribution and allocation of property taxes.

10 (2) "Base assessed value" means:

11 (A) the net assessed value of all the property as finally
12 determined for the assessment date immediately preceding the
13 adoption date of the allocation provision of the declaratory
14 resolution, as adjusted under subsection (h); plus

15 (B) to the extent that it is not included in clause (A) or (C), the
16 net assessed value of any and all parcels or classes of parcels
17 identified as part of the base assessed value in the declaratory
18 resolution or an amendment thereto, as finally determined for
19 any subsequent assessment date; plus

20 (C) to the extent that it is not included in clause (A) or (B), the
21 net assessed value of property that is assessed as residential
22 property under the rules of the department of local government
23 finance, as finally determined for any assessment date after the
24 effective date of the allocation provision.

25 Clause (C) applies only to allocation areas established in a
26 military reuse area after June 30, 1997, and to the part of an
27 allocation area that was established before June 30, 1997, and that
28 is added to an existing allocation area after June 30, 1997.

29 (3) "Property taxes" means taxes imposed under IC 6-1.1 on real
30 property.

31 (b) A declaratory resolution adopted under section 10 of this chapter
32 before the date set forth in IC 36-7-14-39(b) pertaining to declaratory
33 resolutions adopted under IC 36-7-14-15 may include a provision with
34 respect to the allocation and distribution of property taxes for the
35 purposes and in the manner provided in this section. A declaratory
36 resolution previously adopted may include an allocation provision by
37 the amendment of that declaratory resolution in accordance with the
38 procedures set forth in section 13 of this chapter. The allocation

1 provision may apply to all or part of the military base reuse area. The
 2 allocation provision must require that any property taxes subsequently
 3 levied by or for the benefit of any public body entitled to a distribution
 4 of property taxes on taxable property in the allocation area be allocated
 5 and distributed as follows:

6 (1) Except as otherwise provided in this section, the proceeds of
 7 the taxes attributable to the lesser of:

8 (A) the assessed value of the property for the assessment date
 9 with respect to which the allocation and distribution is made;

10 or

11 (B) the base assessed value;

12 shall be allocated to and, when collected, paid into the funds of
 13 the respective taxing units.

14 (2) Except as otherwise provided in this section, property tax
 15 proceeds in excess of those described in subdivision (1) shall be
 16 allocated to the military base reuse district and, when collected,
 17 paid into an allocation fund for that allocation area that may be
 18 used by the military base reuse district and only to do one (1) or
 19 more of the following:

20 (A) Pay the principal of and interest and redemption premium
 21 on any obligations incurred by the military base reuse district
 22 or any other entity for the purpose of financing or refinancing
 23 military base reuse activities in or directly serving or
 24 benefiting that allocation area.

25 (B) Establish, augment, or restore the debt service reserve for
 26 bonds payable solely or in part from allocated tax proceeds in
 27 that allocation area or from other revenues of the reuse
 28 authority, including lease rental revenues.

29 (C) Make payments on leases payable solely or in part from
 30 allocated tax proceeds in that allocation area.

31 (D) Reimburse any other governmental body for expenditures
 32 made for local public improvements (or structures) in or
 33 directly serving or benefiting that allocation area.

34 (E) For property taxes first due and payable before 2009, pay
 35 all or a part of a property tax replacement credit to taxpayers
 36 in an allocation area as determined by the reuse authority. This
 37 credit equals the amount determined under the following
 38 STEPS for each taxpayer in a taxing district (as defined in

IC 6-1.1-1-20) that contains all or part of the allocation area:
 STEP ONE: Determine that part of the sum of the amounts
 under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2),
 IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and
 IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

- (i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
- (ii) the STEP ONE sum.

STEP THREE: Multiply:

- (i) the STEP TWO quotient; times
- (ii) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under section 27 of this chapter (before its repeal) in the same year.

(F) Pay expenses incurred by the reuse authority for local public improvements or structures that were in the allocation area or directly serving or benefiting the allocation area.

(G) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

- (i) in the allocation area; and
- (ii) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in this clause. The reimbursements under this clause must be made not more than three (3) years after the date on which the investments that are

1 the basis for the increment financing are made.
 2 The allocation fund may not be used for operating expenses of the
 3 reuse authority.

4 (3) Except as provided in subsection (g), before July 15 of each
 5 year the reuse authority shall do the following:

6 (A) Determine the amount, if any, by which property taxes
 7 payable to the allocation fund in the following year will exceed
 8 the amount of property taxes necessary to make, when due,
 9 principal and interest payments on bonds described in
 10 subdivision (2) plus the amount necessary for other purposes
 11 described in subdivision (2).

12 (B) Provide a written notice to the county auditor, the fiscal
 13 body of the unit that established the reuse authority, and the
 14 officers who are authorized to fix budgets, tax rates, and tax
 15 levies under IC 6-1.1-17-5 for each of the other taxing units
 16 that is wholly or partly located within the allocation area. The
 17 notice must:

18 (i) state the amount, if any, of excess property taxes that the
 19 reuse authority has determined may be paid to the respective
 20 taxing units in the manner prescribed in subdivision (1); or
 21 (ii) state that the reuse authority has determined that there
 22 are no excess property tax proceeds that may be allocated to
 23 the respective taxing units in the manner prescribed in
 24 subdivision (1).

25 The county auditor shall allocate to the respective taxing units
 26 the amount, if any, of excess property tax proceeds determined
 27 by the reuse authority. The reuse authority may not authorize
 28 a payment to the respective taxing units under this subdivision
 29 if to do so would endanger the interest of the holders of bonds
 30 described in subdivision (2) or lessors under section 19 of this
 31 chapter. Property taxes received by a taxing unit under this
 32 subdivision before 2009 are eligible for the property tax
 33 replacement credit provided under IC 6-1.1-21.

34 (c) For the purpose of allocating taxes levied by or for any taxing
 35 unit or units, the assessed value of taxable property in a territory in the
 36 allocation area that is annexed by a taxing unit after the effective date
 37 of the allocation provision of the declaratory resolution is the lesser of:

38 (1) the assessed value of the property for the assessment date with

1 respect to which the allocation and distribution is made; or
2 (2) the base assessed value.

3 (d) Property tax proceeds allocable to the military base reuse district
4 under subsection (b)(2) may, subject to subsection (b)(3), be
5 irrevocably pledged by the military base reuse district for payment as
6 set forth in subsection (b)(2).

7 (e) Notwithstanding any other law, each assessor shall, upon
8 petition of the reuse authority, reassess the taxable property situated
9 upon or in or added to the allocation area, effective on the next
10 assessment date after the petition.

11 (f) Notwithstanding any other law, the assessed value of all taxable
12 property in the allocation area, for purposes of tax limitation, property
13 tax replacement, and the making of the budget, tax rate, and tax levy
14 for each political subdivision in which the property is located is the
15 lesser of:

- 16 (1) the assessed value of the property as valued without regard to
17 this section; or
18 (2) the base assessed value.

19 (g) If any part of the allocation area is located in an enterprise zone
20 created under IC 5-28-15, the unit that designated the allocation area
21 shall create funds as specified in this subsection. A unit that has
22 obligations, bonds, or leases payable from allocated tax proceeds under
23 subsection (b)(2) shall establish an allocation fund for the purposes
24 specified in subsection (b)(2) and a special zone fund. Such a unit
25 shall, until the end of the enterprise zone phase out period, deposit each
26 year in the special zone fund any amount in the allocation fund derived
27 from property tax proceeds in excess of those described in subsection
28 (b)(1) from property located in the enterprise zone that exceeds the
29 amount sufficient for the purposes specified in subsection (b)(2) for the
30 year. The amount sufficient for purposes specified in subsection (b)(2)
31 for the year shall be determined based on the pro rata part of such
32 current property tax proceeds from the part of the enterprise zone that
33 is within the allocation area as compared to all such current property
34 tax proceeds derived from the allocation area. A unit that does not have
35 obligations, bonds, or leases payable from allocated tax proceeds under
36 subsection (b)(2) shall establish a special zone fund and deposit all the
37 property tax proceeds in excess of those described in subsection (b)(1)
38 that are derived from property in the enterprise zone in the fund. The

unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that part of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each ~~general~~ reassessment of real property in an area under a county's reassessment plan under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the ~~general~~ reassessment of the real property in the area under a county's reassessment plan on the property tax proceeds allocated to the military base reuse district under this section. After each annual adjustment under IC 6-1.1-4-4.5, the department of local government finance shall adjust the base assessed value to neutralize any effect of the annual adjustment on the property tax proceeds allocated to the military base reuse district under this section. However, the adjustments under this subsection may not include the effect of property tax abatements under IC 6-1.1-12.1, and these adjustments may not produce less property tax proceeds allocable to the military base reuse district under subsection (b)(2) than would otherwise have been received if the ~~general~~ reassessment under a county's reassessment plan or annual adjustment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

SECTION 130. IC 36-7-30.5-30, AS AMENDED BY P.L.146-2008, SECTION 772, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 30. (a) The following definitions apply throughout this section:

(1) "Allocation area" means that part of a military base development area to which an allocation provision of a declaratory resolution adopted under section 16 of this chapter refers for purposes of distribution and allocation of property taxes.

(2) "Base assessed value" means:

1 (A) the net assessed value of all the property as finally
 2 determined for the assessment date immediately preceding the
 3 adoption date of the allocation provision of the declaratory
 4 resolution, as adjusted under subsection (h); plus
 5 (B) to the extent that it is not included in clause (A) or (C), the
 6 net assessed value of any and all parcels or classes of parcels
 7 identified as part of the base assessed value in the declaratory
 8 resolution or an amendment to the declaratory resolution, as
 9 finally determined for any subsequent assessment date; plus
 10 (C) to the extent that it is not included in clause (A) or (B), the
 11 net assessed value of property that is assessed as residential
 12 property under the rules of the department of local government
 13 finance, as finally determined for any assessment date after the
 14 effective date of the allocation provision.

15 (3) "Property taxes" means taxes imposed under IC 6-1.1 on real
 16 property.

17 (b) A declaratory resolution adopted under section 16 of this chapter
 18 before the date set forth in IC 36-7-14-39(b) pertaining to declaratory
 19 resolutions adopted under IC 36-7-14-15 may include a provision with
 20 respect to the allocation and distribution of property taxes for the
 21 purposes and in the manner provided in this section. A declaratory
 22 resolution previously adopted may include an allocation provision by
 23 the amendment of that declaratory resolution in accordance with the
 24 procedures set forth in section 18 of this chapter. The allocation
 25 provision may apply to all or part of the military base development
 26 area. The allocation provision must require that any property taxes
 27 subsequently levied by or for the benefit of any public body entitled to
 28 a distribution of property taxes on taxable property in the allocation
 29 area be allocated and distributed as follows:

30 (1) Except as otherwise provided in this section, the proceeds of
 31 the taxes attributable to the lesser of:

32 (A) the assessed value of the property for the assessment date
 33 with respect to which the allocation and distribution is made;
 34 or

35 (B) the base assessed value;
 36 shall be allocated to and, when collected, paid into the funds of
 37 the respective taxing units.

38 (2) Except as otherwise provided in this section, property tax

proceeds in excess of those described in subdivision (1) shall be allocated to the development authority and, when collected, paid into an allocation fund for that allocation area that may be used by the development authority and only to do one (1) or more of the following:

(A) Pay the principal of and interest and redemption premium on any obligations incurred by the development authority or any other entity for the purpose of financing or refinancing military base development or reuse activities in or directly serving or ~~benefitting~~ **benefiting** that allocation area.

(B) Establish, augment, or restore the debt service reserve for bonds payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the development authority, including lease rental revenues.

(C) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(D) Reimburse any other governmental body for expenditures made for local public improvements (or structures) in or directly serving or benefitting that allocation area.

(E) For property taxes first due and payable before 2009, pay all or a part of a property tax replacement credit to taxpayers in an allocation area as determined by the development authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(i) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(ii) the STEP ONE sum.

STEP THREE: Multiply:

(i) the STEP TWO quotient; by

1 (ii) the total amount of the taxpayer's taxes (as defined in
 2 IC 6-1.1-21-2) levied in the taxing district that have been
 3 allocated during that year to an allocation fund under this
 4 section.

5 If not all the taxpayers in an allocation area receive the credit
 6 in full, each taxpayer in the allocation area is entitled to
 7 receive the same proportion of the credit. A taxpayer may not
 8 receive a credit under this section and a credit under section
 9 32 of this chapter (before its repeal) in the same year.

10 (F) Pay expenses incurred by the development authority for
 11 local public improvements or structures that were in the
 12 allocation area or directly serving or ~~benefitting~~ **benefitting** the
 13 allocation area.

14 (G) Reimburse public and private entities for expenses
 15 incurred in training employees of industrial facilities that are
 16 located:

- 17 (i) in the allocation area; and
- 18 (ii) on a parcel of real property that has been classified as
 19 industrial property under the rules of the department of local
 20 government finance.

21 However, the total amount of money spent for this purpose in
 22 any year may not exceed the total amount of money in the
 23 allocation fund that is attributable to property taxes paid by the
 24 industrial facilities described in this clause. The
 25 reimbursements under this clause must be made not more than
 26 three (3) years after the date on which the investments that are
 27 the basis for the increment financing are made.

28 The allocation fund may not be used for operating expenses of the
 29 development authority.

30 (3) Except as provided in subsection (g), before July 15 of each
 31 year the development authority shall do the following:

32 (A) Determine the amount, if any, by which property taxes
 33 payable to the allocation fund in the following year will exceed
 34 the amount of property taxes necessary to make, when due,
 35 principal and interest payments on bonds described in
 36 subdivision (2) plus the amount necessary for other purposes
 37 described in subdivision (2).

38 (B) Provide a written notice to the appropriate county auditors

and the fiscal bodies and other officers who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 for each of the other taxing units that is wholly or partly located within the allocation area. The notice must:

(i) state the amount, if any, of the excess property taxes that the development authority has determined may be paid to the respective taxing units in the manner prescribed in subdivision (1); or

(ii) state that the development authority has determined that there is no excess assessed value that may be allocated to the respective taxing units in the manner prescribed in subdivision (1).

The county auditors shall allocate to the respective taxing units the amount, if any, of excess assessed value determined by the development authority. The development authority may not authorize a payment to the respective taxing units under this subdivision if to do so would endanger the interest of the holders of bonds described in subdivision (2) or lessors under section 24 of this chapter. Property taxes received by a taxing unit under this subdivision before 2009 are eligible for the property tax replacement credit provided under IC 6-1.1-21.

(c) For the purpose of allocating taxes levied by or for any taxing unit or units, the assessed value of taxable property in a territory in the allocation area that is annexed by a taxing unit after the effective date of the allocation provision of the declaratory resolution is the lesser of:

(1) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or

(2) the base assessed value.

(d) Property tax proceeds allocable to the military base development district under subsection (b)(2) may, subject to subsection (b)(3), be irrevocably pledged by the military base development district for payment as set forth in subsection (b)(2).

(e) Notwithstanding any other law, each assessor shall, upon petition of the development authority, reassess the taxable property situated upon or in or added to the allocation area, effective on the next assessment date after the petition.

(f) Notwithstanding any other law, the assessed value of all taxable property in the allocation area, for purposes of tax limitation, property

1 tax replacement, and the making of the budget, tax rate, and tax levy
 2 for each political subdivision in which the property is located is the
 3 lesser of:

- 4 (1) the assessed value of the property as valued without regard to
- 5 this section; or
- 6 (2) the base assessed value.

7 (g) If any part of the allocation area is located in an enterprise zone
 8 created under IC 5-28-15, the development authority shall create funds
 9 as specified in this subsection. A development authority that has
 10 obligations, bonds, or leases payable from allocated tax proceeds under
 11 subsection (b)(2) shall establish an allocation fund for the purposes
 12 specified in subsection (b)(2) and a special zone fund. The
 13 development authority shall, until the end of the enterprise zone phase
 14 out period, deposit each year in the special zone fund any amount in the
 15 allocation fund derived from property tax proceeds in excess of those
 16 described in subsection (b)(1) from property located in the enterprise
 17 zone that exceeds the amount sufficient for the purposes specified in
 18 subsection (b)(2) for the year. The amount sufficient for purposes
 19 specified in subsection (b)(2) for the year shall be determined based on
 20 the pro rata part of such current property tax proceeds from the part of
 21 the enterprise zone that is within the allocation area as compared to all
 22 such current property tax proceeds derived from the allocation area. A
 23 development authority that does not have obligations, bonds, or leases
 24 payable from allocated tax proceeds under subsection (b)(2) shall
 25 establish a special zone fund and deposit all the property tax proceeds
 26 in excess of those described in subsection (b)(1) that are derived from
 27 property in the enterprise zone in the fund. The development authority
 28 that creates the special zone fund shall use the fund (based on the
 29 recommendations of the urban enterprise association) for programs in
 30 job training, job enrichment, and basic skill development that are
 31 designed to benefit residents and employers in the enterprise zone or
 32 for other purposes specified in subsection (b)(2), except that where
 33 reference is made in subsection (b)(2) to an allocation area it shall refer
 34 for purposes of payments from the special zone fund only to that part
 35 of the allocation area that is also located in the enterprise zone. The
 36 programs shall reserve at least one-half (1/2) of their enrollment in any
 37 session for residents of the enterprise zone.

38 (h) After each ~~general~~ reassessment of real property in an area

1 **under a county's reassessment plan** under IC 6-1.1-4, the department
 2 of local government finance shall adjust the base assessed value one (1)
 3 time to neutralize any effect of the ~~general~~ reassessment **of the real**
 4 **property in the area under a county's reassessment plan** on the
 5 property tax proceeds allocated to the military base development
 6 district under this section. After each annual adjustment under
 7 IC 6-1.1-4-4.5, the department of local government finance shall adjust
 8 the base assessed value to neutralize any effect of the annual
 9 adjustment on the property tax proceeds allocated to the military base
 10 development district under this section. However, the adjustments
 11 under this subsection may not include the effect of property tax
 12 abatements under IC 6-1.1-12.1, and these adjustments may not
 13 produce less property tax proceeds allocable to the military base
 14 development district under subsection (b)(2) than would otherwise
 15 have been received if the ~~general~~ reassessment **under a county's**
 16 **reassessment plan** or annual adjustment had not occurred. The
 17 department of local government finance may prescribe procedures for
 18 county and township officials to follow to assist the department in
 19 making the adjustments.

20 SECTION 131. IC 36-7-32-19, AS AMENDED BY P.L.154-2006,
 21 SECTION 81, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
 22 JANUARY 1, 2010]: Sec. 19. (a) The state board of accounts and
 23 department of local government finance shall make the rules and
 24 prescribe the forms and procedures that the state board of accounts and
 25 department of local government finance consider appropriate for the
 26 implementation of an allocation area under this chapter.

27 (b) After each ~~general~~ reassessment **of real property in an area**
 28 **under a county's reassessment plan** under IC 6-1.1-4, the department
 29 of local government finance shall adjust the base assessed value one (1)
 30 time to neutralize any effect of the ~~general~~ reassessment **of the real**
 31 **property in the area under a county's reassessment plan** on the
 32 property tax proceeds allocated to the certified technology park fund
 33 under section 17 of this chapter. After each annual adjustment under
 34 IC 6-1.1-4-4.5, the department of local government finance shall adjust
 35 the base assessed value to neutralize any effect of the annual
 36 adjustment on the property tax proceeds allocated to the certified
 37 technology park fund under section 17 of this chapter."
